Dear Margaret,

Re: Our 20<sup>th</sup> Anniversary bash held on the 3<sup>rd</sup> December.

This is just a quick note to thank you all for your fantastic hospitality last Friday evening for our 20<sup>th</sup> Anniversary dinner and dance celebrations. The event was an amazing success with all guests, members of staff and partners thoroughly enjoying themselves and all praising the venue and the most amazing spread of food you delivered on the night. Here are some of the comments that I have received so far from the staff and guests :-

*What a truly wonderful night, you should be very proud.*

*Thank you so much for a very enjoyable evening on Friday night. We both had a great time.*

*That was the best Christmas Dinner I have ever had and a great venue. Thoroughly enjoyed myself and look forward to returning next year? (This was a business associate!)*

*I cannot believe the quality of the meal, truly amazing thanks for a great night.*

That is just a snap shot of many positives and you should be proud of your achievements on the night. I can safely say we will be returning next year for our Christmas party.

Wishing you and your staff all the best for Christmas and the New Year.

Yours sincerely
